Message from the President

Greetings f:67 Members,

Summer has arrived in the Northwest. It's a great time to get out that camera and take it with you whether you'll be camping, traveling, attending family reunions, or just checking out the flowers in your own backyard. Get the whole picture first, but then go in a little deeper. What intimate details lie in wait? Can you find a photo that's different from everyone else's? Challenge yourself to try something different.

I hope some of you are thinking about and working on your Essays for our August Program Night – August 4th. It can be in the form of a slideshow to music, a print presentation with your own narration, or projected images you'd like to share and tell us a story about them.

I just returned from Alaska and I don't know if I should share ALL the animals I photographed, or just concentrate on the Bears of Lake Clark. Be sure to attend August 4th's meeting and find out.

Our Club Picnic is coming up on Saturday, July 12. It's a great time to have fun with your camera club friends. Christina Krueger has made her gardens available for us to photograph at about 9am, and we'll eat just after Noon. Please bring a potluck dish to share.

Now, get out there and photograph!

Best,
Vicki Braden, President
